U.S. HOUSE OF REPRESENTATIVES

PERMANENT SELECT COMMITTEE
ON INTELLIGENCE

WASHINGTON, D.C. 20515

Executive Registry

78-216/4

September 15, 1978

Honorable Stansfield Turner
Director of Central Intelligence
Washington, D.C. 20505

Dear Admiral Turner:

This is in further reference to your letters of March 1 and April 12, 1978 suggesting that the annual reports to be submitted to this Committee concerning intelligence and intelligence-related activities should be consolidated into one report. The structure of the Annual Report which you submit to the President could then be changed to respond to the requirements of reports requested by this Committee.

After careful consideration, the Committee agrees that it would be useful and more efficient for you to continue reporting on the activities of those organizations and programs which are part of the National Foreign Intelligence Program, while leaving to the Department of Defense the responsibility to prepare an additional report on intelligence-related activities, as well as other appropriate comments regarding intelligence activities.

In addition, the Committee recommends more detailed treatment of the intelligence activities of the Department of State and Federal Bureau of Investigation in your next report.

The format used in the 1977 Annual Report is acceptable for 1978 provided the additional information specified in the attachment is included or otherwise appended.

With respect to the Committee's request for an unclassified version of your report, the Committee recognizes it may be necessary to use a different approach and proposes to leave its arrangement to your judgment.
